LITERARY EVENTS RULEBOOK

MIRAG — The Literary Club of AIIMS Guwahati (Eternia)

About MIRAG

The Literary Club of AIIMS Guwahati has been named MIRAG. This club is a haven for expression, creativity and passion for literary works. It brings together students who share an enthusiasm for words—whether written, spoken, or performed. Through a variety of events such as debates, creative writing, poetry recitals, and storytelling, the committee nurtures both artistic imagination and intellectual depth. It aims to inspire participants to think beyond convention, articulate with clarity, and celebrate the power of language in shaping ideas and culture.

In the college fest Eternia, MIRAG becomes the voice of artistic expression and intellectual elegance amidst the celebrations. The club curates events that celebrate the beauty of language—ranging from slam poetry, stage plays, and storytelling sessions to multilingual open mics and literary quizzes. These events not only provide a platform for students to express their thoughts, emotions, and creativity, but also add depth and cultural richness to the fest. MIRAG ensures that alongside music, dance, and festivities, the power of words and ideas also takes centre stage, giving Eternia a soul rooted in thought, imagination, and dialogue.
