THE MYSTIC FUSION

Theme

"The Mystic Fusion"

The Mystic Fusion celebrates the harmony of opposites—Light and Darkness, Life and Death, Creation and Decay, Hope and Despair. Inspired by the timeless philosophy of Yin and Yang, it reminds us that opposites are not enemies, but complementary parts of a greater whole.

The theme brings together two contrasting realms: Fairytale and Dark Fantasy. Fairytale embodies wonder, innocence, magic, and dreams, while Dark Fantasy explores mystery, shadows, danger, and the unknown.

When these worlds collide, they create a unique fusion where the beautiful meets the bizarre and the enchanting meets the eerie.

Because every light casts a shadow, and every shadow holds a trace of light.

About AIIMS Guwahati

ETERNIA '26
THE MYSTIC FUSION

The All India Institute of Medical Sciences, Guwahati is a premier medical institution and an Institute of National Importance under the Ministry of Health & Family Welfare, Government of India. Located at Changsari in Kamrup, Assam, AIIMS Guwahati was established under the Pradhan Mantri Swasthya Suraksha Yojana (PMSSY), with its foundation stone laid in May 2017 and the institute formally established through a government notification in December 2019. The first academic session commenced in 2020. Situated in the northeastern part of India, AIIMS Guwahati aims to strengthen healthcare, medical education, research, and innovation across the region.

Spread over a vast campus of approximately 189 acres, AIIMS Guwahati features modern academic, residential, and healthcare infrastructure. Its hospital provides a wide range of medical services, supported by advanced diagnostic and therapeutic facilities, intensive care units, emergency and trauma services, modular operation theatres, blood bank facilities, MRI and CT imaging, radiotherapy, interventional radiology, and specialised clinical departments. The campus also includes well-equipped hostels, furnished accommodation, study areas, recreational spaces, and other student amenities, providing a comfortable and enriching environment for learning and personal development.

The institute also places strong emphasis on medical research and innovation, encouraging students and faculty to engage in research activities, clinical studies, laboratory-based investigations, and interdisciplinary projects addressing healthcare challenges relevant to Northeast India. Its academic and research ecosystem provides opportunities for developing scientific skills, promoting evidence-based medicine, and contributing to advancements in healthcare.

Beyond academics and healthcare, AIIMS Guwahati encourages students to participate in cultural, artistic, literary, sporting, and recreational activities. Eternia, the annual cultural fest of AIIMS Guwahati, represents this vibrant spirit of student life. It brings together creativity, talent, diversity, and camaraderie, providing a platform for students to showcase their skills, celebrate the rich cultural heritage of Northeast India, and create unforgettable memories beyond the classroom.

About

ETERNIA

ETERNIA is the flagship annual cultural and medical fest of AIIMS Guwahati, bringing together the finest blend of medicine, culture, creativity, sports, and entertainment. As one of the largest medical fests in the Northeastern region of India, Eternia provides a vibrant platform for students from medical institutions across the region to come together, compete, collaborate, and celebrate.

With a spectacular array of events, the fest encompasses cultural performances, music, dance, theatre, literary competitions, fine arts, sports, medical quizzes, academic challenges, and a variety of engaging informal events. Each event is designed to bring out a different facet of student life—from intellectual curiosity and clinical acumen to artistic expression, athletic ability, and sheer enthusiasm.

Eternia is more than a competition; it is a celebration of the diverse talents and personalities that exist beyond the white coat. It creates an environment where future doctors can step away from their demanding academic routines and immerse themselves in creativity, friendship, and healthy competition.

As students from across Northeast India come together, Eternia becomes a melting pot of cultures, ideas, traditions, and talents. It reflects the youthful energy and growing spirit of AIIMS Guwahati while providing a memorable platform for participants to build connections and create lasting memories.

Eternia stands as a celebration of everything that makes student life extraordinary—knowledge, talent, passion, friendship, and the courage to explore beyond medicine.

Accommodation

Participants of ETERNIA 2026 will be accommodated inside the AIIMS campus and some available premises outside the campus. A designated night shelter facility is available within the AIIMS Guwahati campus.

Priority for accommodation inside the campus will be given to female participants, considering safety and convenience.

Rules & Regulations:

Every participant must carry a valid college/institution ID card and government-issued ID, if required.

Any damage to furniture, electrical equipment, washrooms, or other property will be the responsibility of the person/team concerned.

Consumption or possession of alcohol, tobacco products, recreational drugs, or any other prohibited substance is strictly prohibited.

Participants must immediately contact the designated ETERNIA accommodation team in case of any medical, security, or other emergency.
