Each team of 4 members will start the game.

Each team will receive a starting question or clue.

OBJECTIVE

The goal is to follow a series of clues and challenges to reach the final 'treasure'.

Teams must complete each task in the correct order to unlock the next clue.

CLUES AND CHALLENGES

Clues may be puzzles, riddles or physical challenges.

Teams will get the next clue only if they solve the previous one.

There will be some surprise tasks. Failure to complete them within a certain time limit will result in the elimination of that particular team.

RULES OF PLAY

All players of the team should stay together during the hunt.

Mobile phones are allowed only when asked to use.

Participants will be answering the clues via photos/videos (media sharing) on WhatsApp Groups.

Winning the Treasure –

PEPSI PONG

1. SETUP:

Two opponents stand at opposite ends of a table. Each player has a row of cups filled with water or any designated drink on their end.

3. ELIMINATION:

The first player to eliminate all of their opponent's cups is the winner. If there's a tie (one cup each remaining), players enter Sudden Death, where each has only one cup, and the first successful shot wins.

4. RULES OF PLAY:

Players must throw from behind their end of the table – no leaning or crossing the table edge. Bouncing shots are allowed but can be blocked by the opponent.

5. FUN AND FAIR PLAY:

No aggressive throws or disrespectful behavior.
Encourage cheering but keep it sportsmanlike!
